November 25, 2023

Dear Friends of the Northwoods Humane Society,

We are so grateful to be able to send you this holiday letter with the good news of our Holiday Matching Gift Drive. Several members of the Northwoods Humane Society have again, pledged a total of $25,000 in gifts if our supporters and those who care about the well-being of animals in need will match this gift.

Will you please consider helping the animals in need by making a donation today to this Holiday Matching Gift Fund? Any amount is needed and appreciated.

The Holiday Matching Gift Drive was so successful last year, we look forward to your support for 2024.

If you have any questions, please feel free to call me at home: 715-634-4543.

Sincerely,

Deanna Persson, President
Northwoods Humane Society

HIGHLIGHTS FOR 2023

• The Northwoods Humane Society continues to meet the needs of our area dogs and cats seeking homes as well as being pro-active in sheltering animals in crisis circumstances in other parts of the USA. For example, 20 of our dogs came from Texas in one transport because dogs were dying of heat in un-air conditioned shelters.
• All Northwoods Humane Society animals are vet checked, spayed or neutered, vaccinated including rabies, fecal checked, socialized and prepared for a forever home.
• The Northwoods Humane Society provides all medical needs for animals in our care. This may include a leg amputation, an eye removal – whatever the need, we will work to see that the animal is served.
• The Northwoods Humane Society provides financial assistance for spays and neuters of owned animals in the community as well as some assistance with emergency medical needs of owned animals.

If you can help us meet our Matching Gift Goal – it will make it possible for the Northwoods Humane Society to continue helping animals in need.

You may make a donation through Pay Pal on our website www.northwoodshumanesociety.org or mail a donation directly to the Northwoods Humane Society P.O. Box 82, Hayward, WI 54843
